Welcome!

We're excited to again bring you the latest initiatives, updates and ways you can support One Love One Heart, all in one convenient place.

In this issue, you'll learn about our June Share the Music initiatives, the latest with the school supply drive, how you can help with Feed A Family, our scholarship program and more. We have so many exciting projects going on!

We hope you'll enjoy these updates so you can get a closer look at how all our hard work and generosity pays off for our friends in Jamaica.

Welcome!

A note from our co-founders

We are so excited with how much One Love One Heart has grown over the past few years, and we couldn't have done it without all your generosity. So thank you, and enjoy these updates!
— Fern and Roy

School Supply Drive

Our school supply drive has successfully concluded. Thank you for all your generous donations!

Making Music & More students and interns Alex Meyer and Jake Boyce worked together on June 23 to sort, pack and inventory the school supplies collected thus far for the children in Jamaica. They made a great team

and worked well together to get the job done. We will be dropping off the supplies for shipping on July 7 or 8. They will arrive in Jamaica by July 26.

We are always in need of monetary donations to cover the expense of shipping costs. Any monetary donations will be accepted through the month of July and can be sent to Fern Flicker, or

donations can be made through the Donate Now button on our website. The school supplies will be distributed to communities in need during the third week of August.

Thank you for your ongoing support! Your donations make a huge difference in the life of Jamaican children. We couldn't do this without you.

Scholarship Program

In order to attend school in Jamaica, students must pay a school fee each year to attend. This fee can be a hardship for many families. As a way to further support students' education, One Love One Heart's generous sponsors raised enough money to provide scholarships for several students across multiple grade levels to provide for their entire next year's school fees. Students with the highest grades on their end of year exams will be awarded the scholarships at a celebration event in Jamaica the third week of August.

We will be offering this program again next year. If you would like to sponsor a scholarship for the 2017–2018 school year, please contact Fern Flicker.

Paint and Sip

Love art? This fall, you'll get the chance to participate in one of our paint and sip nights with all proceeds set to benefit One Love One Heart and our fall clothing drive. Join our waiting list and invite all your friends for evenings full of fun, food, drink, and of course, painting!

Clothing Drive

Our annual clothing drive will kick off this August, so it's the perfect time to start doing that fall closet cleaning! We also always are in need of funding for shipping costs. Thank you!

Feed A Family

It's time for our annual summer One Love One Heart project!

Feed A Family helps get food to Jamaican communities in need by providing staple items such as rice, sugar and more. In fact, every \$5 donation earned feeds an entire family for a week.

To support this initiative, we will again be having a benefit concert at Amenities Salon and Color Studio on July 29 in Doylestown. Our Feed a Family fundraiser is going to be really amazing this year.

Not only do we have a fabulous line up of professional musicians but we are also going to have some Making Music & More students and interns drop in to sing a tune or two. It's going to be a wonderful day!

Mark your calendars and come out to this family friendly event. Have a hot dog, enjoy the music and support a good cause.

If you are unable to make it or live out of the area and are considering a small monetary donation, please visit our website and click on the Donate Now button. All donations are handled securely through PayPal.

We can't wait to see you at this fun event, and we hope you will consider making a donation. Even small amounts will go a long way.

Last year we were able to provide much needed food for many families in Jamaican communities, and we would love to provide even more this year.

Thank you for your ongoing support of this wonderful cause! We've already raised \$120 of our \$250 goal!

Share the Music Initiative

In June we had two separate Share the Music initiative performances.

On June 3, Making Music & More competition students held a dress rehearsal at the Villa in Flourtown. The residents were delighted with the performance, and even followed up after the competition to see how the group did!

On June 25, a talented group of young musicians

gave a wonderful performance for the residents of Greenfield Senior Living of Lansdale. They truly enjoyed the Making Music & More students! This was a select group invited to do an impromptu concert based on their ongoing commitment, practice, dedication, and overall excellence over the course of the school year. This is just another aspect of our

Share the Music initiative with communities both here in the U.S. and in Jamaica.

We were happy to see people from both countries watching us live on Facebook at both events!

Our ongoing Share the Music initiative will continue year round with additional performances coming soon!
